Dear Parents,

Thank you for your enquiry.

Footprints is open fifty-one weeks per year from 7.30am – 6.00pm Monday to Friday.

Invoices are issued monthly and payment is due on or before the 1<sup>st</sup> of the month. The fee is all inclusive of lunch, snacks, tea and drinks as well as additional activities such as Music, French, Drama, Computers, Stretch-n-Grow and Happy Legs.

We give every child the finest start to their first taste of the outside world using our skilled, qualified staff to deliver a child development programme throughout the 51 weeks a year. Our learning is fun and is explored and achieved through every avenue of the child's life. In the early stages it is through play that this learning takes place.

The fees are £36 per day and £19.50 per session for Pre School and Tots and £40 per day and £21.50 per session for Toddlers and Babies (7.30am – 1.00pm or 1.00pm – 6.00pm). The fees are calculated on a 51 week year as no charge is made for the one week's compulsory closure at Christmas. The system is designed to ensure that each monthly payment does not vary from month to month, unless your child's attendance sessions change.
