“  
Excellent nursery  
with fantastic,  
caring and  
dedicated staff.  
”

# Here at Footprints, we pride ourselves on delighting your child every day.

We are a place where every member of staff knows your child and a warm welcome to all your family is always guaranteed.

We believe that we get the best for your child and their development by working in harmony with your family values and by treating your child as an individual. We are passionate about harnessing your child's natural creativity and talents and we do this with encouragement, love and care.

## Footprints Macclesfield

In the heart of the town, opposite West Park and Sainsbury's, Footprints Macclesfield is a Victorian townhouse with a modern but homely interior. We have our own parking for your convenience at our Parents entrance on Risley Street.

With its outdoor play area and modern garden room Pre-School, your child is sure to enjoy our warm, home from home atmosphere.

## Footprints Bollington

On Dean Valley School site, nestled in amongst the trees, we are proud of our purpose built Nursery and we enjoy the space of the secure grounds to play in!

Built in 2012, Footprints Bollington has grown from strength to strength in the local community and is rated as an Ofsted Outstanding childcare provider.

## Giving children the best start in life

Our nurseries are rated Ofsted Outstanding so you can be sure that you are giving your child the best start in life with us.

“

Staff observe and assess children, identifying their preferred style of learning and their current interests and use this skilfully to provide a fantastic range of activities that fully engage and stimulate them.

Children, therefore, make excellent progress in their learning and development.

”

“  
 The transition from each group for my little boy has been perfect for him. Watching him grow and learn in each room has been lovely!  
 ”

# We follow the Early Years Foundation Stage Curriculum to monitor your child’s educational development.

We can adapt our activities to ensure that your child’s individual learning plan will help them to achieve their very best before they start school.

## Our nurseries are divided into rooms:

### Babies

We pride ourselves on giving the individual care and attention that babies need at this stage of their lives. With plenty of space for resting, making friends with other babies and having fun, this room will nurture your baby and provide a sense of security until your baby is ready to branch out and explore!

### Toddlers

We love getting messy in this room; painting and sand play are our favourite activities. Fun is still the order of the day but with some early writing and maths activities to engage the enquiring toddler minds.

### Tots

More role play and turn taking/sharing activities take place in this room to help prepare your child for more independence in Pre-School. Still time for cosy corners and naps though!

### Pre-School

Our Team are experienced early years educators and excel in bringing the EYFS curriculum to life with inspiring activities and play areas. We teach phonics and early numeracy skills but also important life skills such as turn taking, listening, eating as a group which will help your child when they start their journey at primary school.

# We use the very latest software tracking technology - LearningBook

When your child starts at Footprints, you will be given a log-on to our LearningBook system so that you can see exactly how much fun your child has been having that day!

“  
We love looking at the LearningBook, we get to see all the exciting activities and adventures our child has whilst at nursery!  
”

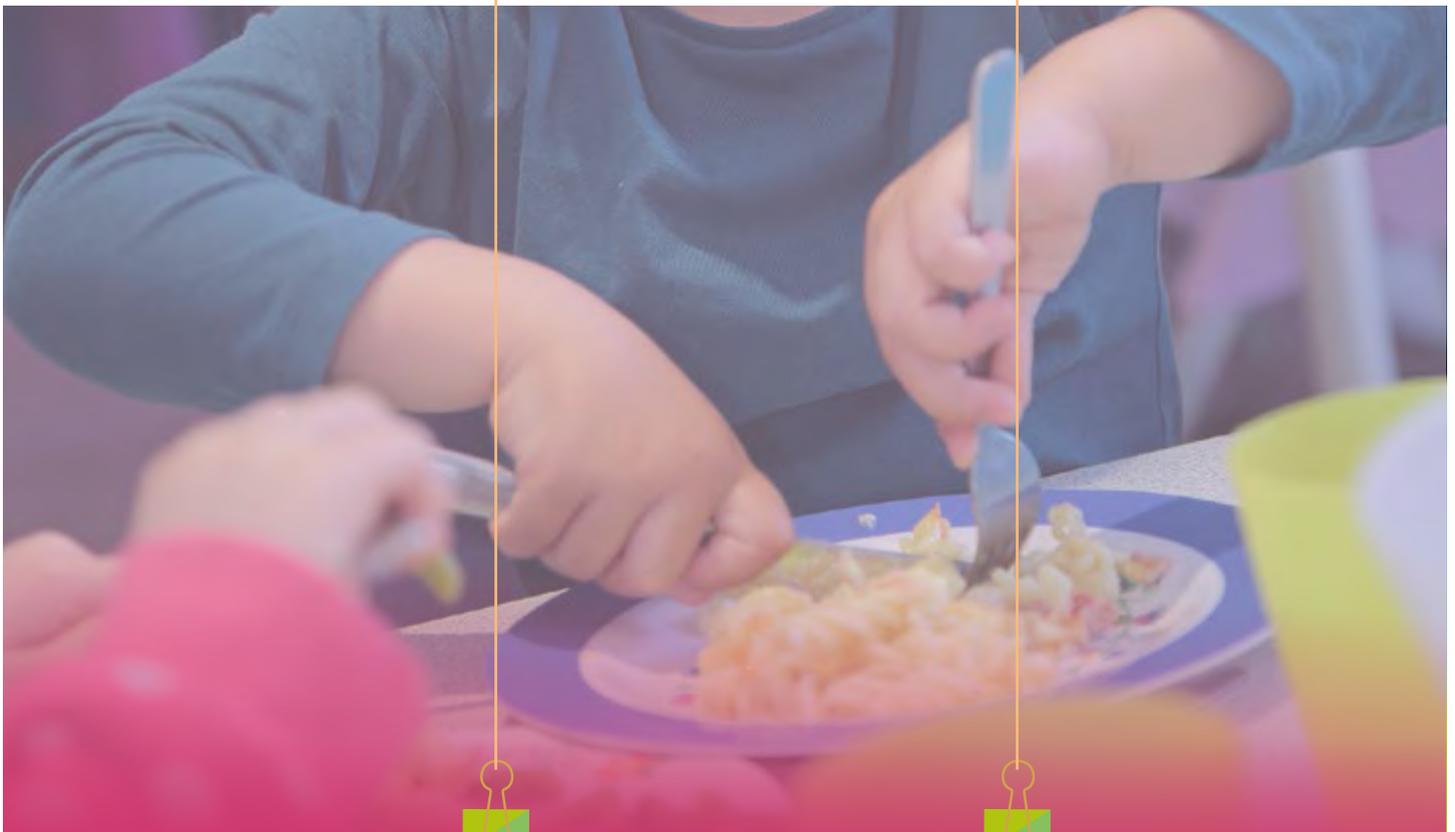

Does your child like fire engines, bees, butterflies?

### Tell us about it!

We can include any new likes/dislikes into planning interesting activities to engage your child.

Add keepsake comments and photos of what your little one gets up to at home.

## Sample Menu

### Mains

Roast chicken with broccoli, carrots and gravy

Three bean chilli with rice

Italian chicken with rice

### Puddings

Fresh fruit salad

Homemade cheesecake

Raspberry flapjack

### Tea

Homemade tomato soup and croutons

Cheese and ham scones

Tuna mayonnaise sandwiches

We always encourage children at our nurseries to try a variety of different foods, including different meat and vegetarian dishes, as well as food from around the world.

Children are also taught where their food comes from and how it's grown to encourage engagement and interest in the foods they're eating.

### FOOD HYGIENE RATING

VERY GOOD

“  
Amazing nursery,  
amazing staff!  
I could not have chosen  
a better nursery.”

“  
I like the nursery's  
attitude to being  
outside and allowing the  
children to get mucky!”
